

This electronically generated report is intended for human resources specialists who have completed the course 'Introduction to Group Dynamics and Network Analysis.' It is designed as a support tool to facilitate decision-making and does not replace the professional judgment of industry experts. Interpretations drawn from the report should be integrated with other information related to the specific evaluation context.

GROUP 4 - DEMO RANK SCORES

A. Who would you like in your ideal work group?

B. Who would you not want in your ideal work group?

NN 8, NE 16, NC 52%, NT 44%, NR 38%
